Often it is very difficult for one person to touch the life of each member of an entire class. As we leave North Attleboro High School, however, the memory of at least one person will remain etched in the mind of each one of us: Miss Elaine Bedard. In your many roles — advisor, teacher, and most importantly, friend — you have been an ever present force. Your open, honest outlook has been projected into all that you have done with us and for us; and your bright sense of humor, together with a unique sense of humanity has helped to make learning an enjoyable (or at least tolerable) experience.

## *Dedication*

Looking back, the past four years have gone by very quickly, perhaps too quickly at times, but you have been a steady influence throughout. During the good, and the not so good, moments, you have tried your best to be understanding and that is all we could have possibly asked. It is very hard to express our feelings, and we often find that we have to rely on our actions to do so for us. Therefore, the class of 1979 would like to dedicate this volume of the *Northern Light* to you, Miss Bedard, to attempt in some slight way to reveal the deep appreciation we have for your many contributions.

## *How Can We Define North High?*

We have often been considered a generation of individuals, but there is a common bond between all of us in this corner of Massachusetts. Even if one becomes involved in outside interests, the life of each of us revolves around one central point: North Attleboro High School.

Now, in 1979, another decade is coming to a close, and it is time we look back for a moment in an attempt to redefine ourselves. If we wish to do so, however, we must first come to understand this common element. But how can we define North High?

The creative arts are present throughout North High — painting, poetry, music, drama — but, if we broaden our definition, their force can be recognized within each one of us. With a touch of imagination, the camera can become an instrument or the balance beam a stage. No matter what our mode of expression, during our daily lives we all become involved artistically in the school environment.

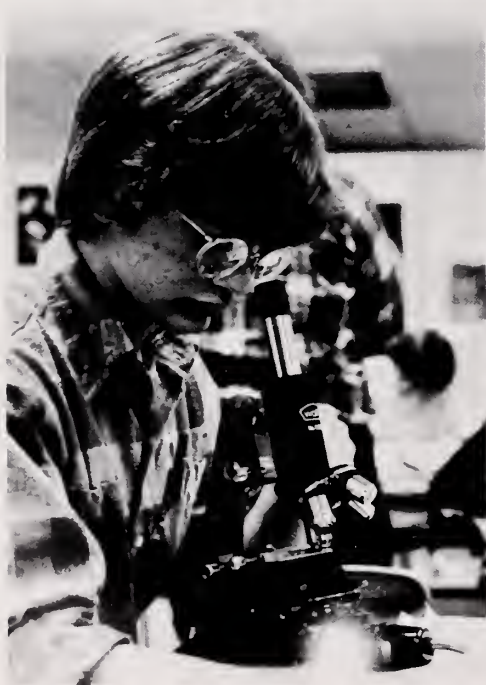

*. . . a place of the arts? . . .*

. . . a place of

If there is a predominant element within the high school environment, it is academics. In all of its various forms — reading, analyzing, experimenting — the learning process is, after all, the main purpose for the four years which we spend here.

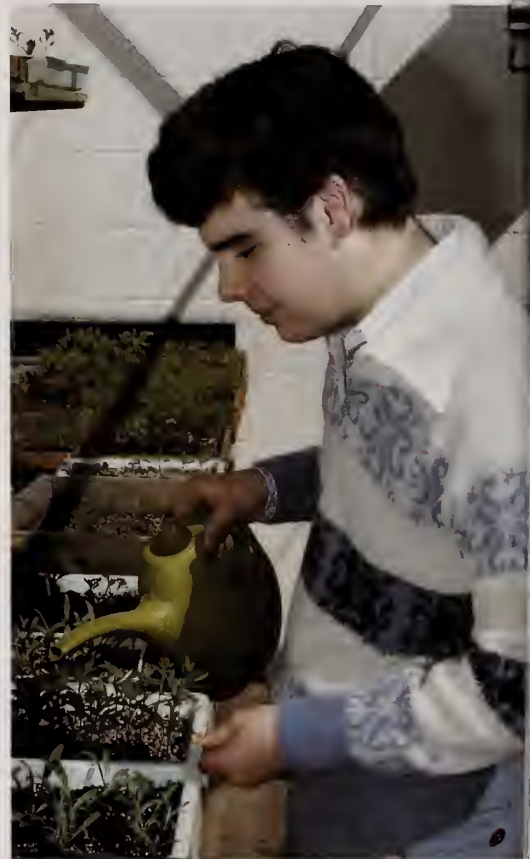

Often, we take our scholarly pursuits for granted, and then, at times, "scholarly" is not the best word to describe our daily routine. For most, however, the main part of the day is spent in an academic situation, and the influence of learning is continuous.

*academics? . . .*

. . . a place of

The high school environment creates the opportunity for many diverse activities . . . Constantly, something is going on after school; in the student council room, in the yearbook office, or even in out of the way places such as the greenhouse one can usually find someone who is busily working.

During the day, everyone participates in the routine activities, while, now and then, a cake sale or a College Bowl may provide a change of pace. In the future, however, the special activities will overshadow the everyday happenings (even though going home often seems to be the best part of our school involvement).

*activities? . . .*

Each one of us has within him a touch of the competitive spirit. It is evident in all that we do, but it is most clearly expressed on the playing field. Rather than just emphasizing winning, however, sports demonstrates the necessity of cooperation and consistent effort to all participants.

*. . . a place of*

At North High, there is a great opportunity for this athletic involvement. For boys, if football is not appealing, any number of other sports are available; and today, girls have a similar list of activities from which to choose. As with each other major element of the school environment, there is something for everyone.

*athletics? . . .*

The school environment is composed of many elements — the arts, academics, activities, athletics — but each in itself cannot adequately define North High. There is a more basic factor behind the facade, a unifying force within each element; people. Without this human factor, the surroundings become meaningless.

. . . a place of

Often, North High seems as much a part of us as we are of it . . . Yet the school is only a material environment; it is through the students that it becomes a living force. The other factors are integral parts of the surroundings, but we are the truly definitive element. In every sense of the word, North High is a place of people!

*people!*

# Definitions

Especially in the later years of high school, each of us is confronted with many difficult decisions. Suddenly, the game of adulthood which we have played for so long begins to become much more a part of reality. Whatever one's future may be — college, the working world, the military, marriage — it can no longer be delayed. Each one must choose a direction for his life, but in order to make the correct choice one must understand his own abilities and interests.

If we wish to define ourselves, it is best to do so from the perspective of the world around us. Although one's dreams of success often overshadow what might be a natural occupation, in numerous cases, one's activities and achievements serve to illuminate his true purpose at this time when within many of our minds there is nothing but confusion. For most of us, however, our friends also reflect the qualities we cannot see in ourselves; and, if we look closely at our environment and those within it, we can better understand our place in life.

## *The Buck Stops Here*

Our administrators, Principal Louis Kelley, Assistant Principal William Wassel and Director of Occupational Education Alfred Slowe, have led us through another event-filled year. Mr. Kelley sees that the school runs smoothly and presides over many school functions. Mr. Wassel is responsible for disciplinary matters and for teacher and student schedules. Mr. Slowe also assists with discipline and oversees work-study programs and the occupational education curriculum. Financial cutbacks have made this a difficult year, but our administrators have succeeded in maintaining quality education at North Attleboro.

## *We Get By With a Little Help From Our Friends*

The Aides are students who volunteer their free time to work in various areas of the school. The Office Aides are responsible for delivering the daily attendance lists, mail, and other messages to the teachers. The media center is staffed by a group of aides who help in the organization of the books and other media materials. Nurse Dawson is helped by her aides who staff the office when she is out. Four competent aides help Mr. Cavedon with the running of the computer room. Although these aides are often taken for granted they provide necessary services for the school.

## Junior Ace Paces North Nine

With many of the high school's athletes opting for track this spring, Coach Jack Harris only had five veterans returning to the Varsity Baseball team. The lack of experience was never a major problem though, as North had a good season with a mark of ten wins and twelve losses. The squad got off to an excellent start with wins over rival Bishop Feehan and Seekonk. After a short slump, the Rocketeers came strongly back to win four of the next six games. Despite winning only one of the following half dozen outings, an exciting 11-10 victory over Attleboro, they were satisfied with their season. They finished by winning three of the last four contests. After the season, North's talented junior southpaw, Tom Messier, was selected to the All-Sun-Chronicle Team.

## Fans Boost Team to State Tournament

Boys' Basketball began to gain a larger following this winter and the Varsity Squad responded well to the increased fan support with a record of thirteen wins and eight losses. The season started out unevenly as the Rocketeers could not put together two victories in a row. Five games into the schedule, the team ran off four consecutive wins, including a brilliant 69-57 victory over Oliver Ames and a one point 54-53 triumph against Stoughton. After this close win, though, N.A. reverted to the early season problem of not being able to put wins together. A loss to Mansfield, a win over King Philip, a loss to Sharon, a win over Foxboro — the Rocketeer team only managed to play .500 over this important period of eight league games. The group ended its schedule strongly, however, as three victories were achieved in the last four games along with a berth in the state tournament.

In the first round of the tournament, all the excitement came to an end as North lost a hard-fought game to Middleboro by a score of 69-68. After the season was over, Joe Fitzgibbons received All-Hockomock honors and Don Johnson was named to the All-Sun-Chronicle team in recognition of their performances throughout the year.

# Basketball

## *Team Keeps Its Hoops Up*

The Girls' Varsity Basketball squad, under the direction of Coach Richard Smith, had a good season this year with a record of seven wins and thirteen losses. The team played consistently throughout the winter with the exception of two short, four-game slumps, and did fare slightly better in league play, posting a mark of six wins against ten losses. After the season, senior captain Stephanie Rioux was selected for both the All-Hockomock and the All-Sun-Chronicle teams. North should improve as a team in the future with the added depth of this year's 8-11 Junior Varsity group which gained much experience in its many close contests.

## "Disco Dazzler" Highlights Year

Once again this year the Business Club scheduled a full calendar of fund-raising and service activities. Under the sponsorship of Mr. Bill Flannery, the group was especially active in community-oriented areas such as working with senior citizens in North Attleboro. Highlight of the fund-raising activities was North Attleboro's first disco dance held at the Junior High School Gymnasium. Next year the group hopes to expand into new areas and to enlarge their membership.

## College Bowl Team Has Winning Season

In order to choose the College Bowl team again this year, Juniors Paula Falocco, Jeanne Lafontaine, Gretchen Loew and Jeff Werner struggled to get over their stage fright while taking on a senior team consisting of Dan Chernov, Dave Christianson, Joe Broughton and Rob Scarletelli. After the Seniors soundly defeated the Juniors, a five-man team was chosen to compete with area schools (Chernov, Broughton, Christianson, Werner and Falocco). The group won home matches easily against Attleboro and Foxboro before losing to the Foxboro team to finish off their schedule. All of the participants and advisor William Wassel enjoyed the experience and the chance to meet students from around the area, and all hope in the future to begin competing more often, as in previous years.

# Cheerleaders

## *Cheerleading Squads Now Need Own Trophy Case*

The Football-Basketball Cheerleader squad, besides doing an outstanding job at games and rallies, proved their excellence in cheering competitions. North's girls placed second at the 84-school Eastern Massachusetts Regional Competition and took first place in three later invitational tournaments. The Hockey Cheerleaders, although a less experienced group, placed third at the Agawam Invitational. After having been on the scene just two years, the Hockey group has become a regular feature at North High.

## Harrier Teams Have Winning Seasons

The 1978 Boy's Cross Country team enjoyed a successful season, finishing with a 5-3 record. Having opened their season with a loss to King Philip, the North runners settled down to win their next four meets in a row and finished third over-all in the Hockomock League dual-meet season as well as in the League meet.

Much of the success was due to the leadership of our fine seniors Sean Hanley, Dan McCrory, Chris Loew, Kelly McLaughlin, and Neal Coffey. The team's depth, for the most part, was provided by sophomore and junior runners, and the outlook for the 1979 season looks to be very promising.

All-Hockomock League honors were attained this past fall by sophomore Vin Brennan for his fourth place finish in the League meet.

The 1978 Girl's Cross Country team, a young and talented group of runners, had a very successful season. The season began in late August and ended in November, thus the team ran in all types of weather as well as on many types of terrain. The practices were difficult, but the girls overcame their weaknesses and conquered just about every hill, big or small.

The season ended with a second place finish in the Hockomock League and a fourth place finish in the Hockomock meet. The team now knows how to win, and they'll do it next season so as to be number one. Special honors were received by Karen Hjerpe, who was chosen for the Hockomock All Star Team and also received the Point Total Award from the G.A.A. The G.A.A. Award for Most Contributing went to sophomore Sheila Bannon. Also Liza Dunn placed 44th out of 250 runners in the Mass. State Coaches Meet.

## DECA Wins Honors at Regional and National Levels

The members of DECA (Distributive Education Clubs of America) are getting an excellent chance to become familiar with both managing and merchandising at our school store, *Ralph's Corner*. Also, they gained a great deal of experience in the field of sales by selling advertising space in the *Northern Light* yearbook. Through their efforts, a total of approximately \$4500 was raised which enabled the yearbook to remain at \$10.00 per copy for another year despite runaway publishing costs. The North DECA members received recognition for their talents, as they placed first among the groups at a regional convention. N.A. also attended a national convention of DECA, and member Racine Beck was very successful in the individual competition on that high level.

*Dramatic Gains Made This Year*

The Drama Club, under the leadership of Judy Cobb, is one of the most active groups in the school. The first undertaking each year is the Children's play. It was presented in October to an audience of primary grade students from the N.A. elementary schools. "Once Upon a Lily Pad", an original play by former Drama Club members, was enjoyed by both the audience and the actors.

One of the most exciting activities is the One-Act Play Festival held in the winter. Student directors, along with a faculty advisor, have full responsibility for producing a play. This year the directors and plays were: Mark Holmes, "Still Stands the House"; Sheri DiVittorio, "Jacques Brel Is"; and Fred Wambolt, "Bev and Ger".

The International Thespian Society Induction Banquet was held on April 27 in the theatre. After enjoying a dinner, the following members were inducted: David Fuller, Laurie Smith, Lori Pepi, Lisajean Morris, Mark Holmes, Lisa Midon, Kim Erickson, and Doug Greene.

Also this year, Drama Club members were given the unusual opportunity of working with members of the Arthur Hall and the Acme Dance Troupes. It was a very full year of activities for the Drama Club — activities that made the year more enjoyable for the Drama Club and the whole school.

## *The Halls Are Alive . . .*

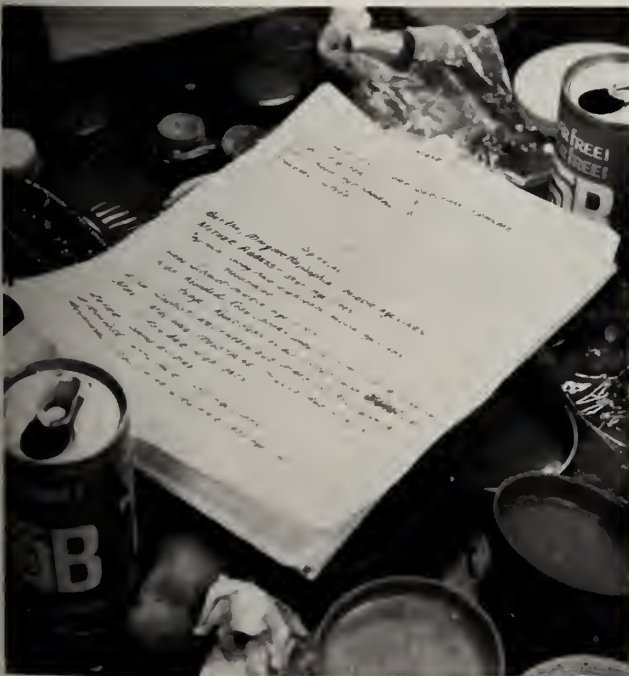

On March 30 and 31 the Drama Club and the Class of '79 made history by having two sell-out audiences for the performances of "The Sound of Music". Ms. Judy Cobb produced and directed this production which included over fifty students as cast and crew members.

Casting began in late January and was followed by numerous weeks of rehearsals, set construction, and advisory meetings that were necessary to present this polished performance. All involved deserve praise for presenting this popular play in such an enjoyable manner. Members of the audience were favorably impressed. David Fuller, who played one of the Von Trapp children, auditioned for and secured the part of one of the children in the summer production of "The Sound of Music" at the Theatre-by-the-Sea in Matunuck, Rhode Island.

## *Does Daddy Disco?*

The Fifth Annual Father-Daughter Dance was held on January 27 from 7:00-11:00 in the high school cafeteria. The Student Council decorated the cafeteria to fit the winter season. Dinner consisted of a lasagna and meatball buffet. Music for the evening was supplied by "Galaxy". This event was a very special evening for the fathers and daughters who attended.

## Hockey Heartbreaker

The Girls' Field Hockey Team had a heart-breaking year. Four ties and one winning game gave them confidence, but five one-goal losses tipped the scales against them to give a 1-14-4 overall tally for the season. Under the co-captainship of Dianne Martha and Karen Whitefield, the team did, however, manage to maintain a winning attitude throughout the season. With the loss of only four seniors from the varsity squad, and with a strong junior varsity team to call on, Coach Marcia Conners hopes to compile a better record next year.

## Coach's Clairvoyance Connects for a 7-2 Season

The North Attleboro Rocketeers certainly made a name for themselves from the start of the 1978 season. Under the leadership of second-year head coach Ray Beaupre, the first game ended in a confident 19-0 win over Bishop Feehan as junior John Simms and two of North's tri-captains, Mike Redding and Steve Savard, each added a touchdown.

In the first Hockomock League game, North ran a close race with Canton, but just lost by a point, 20-19. The pace soon started to pick up, however, as N.A. went on to defeat King Philip in the second league contest. A very strong defense led by seniors Steve Savard and Matt Reynolds highlighted the game and produced a final score of 32-12.

Franklin High School was the next challenge for North. Despite very soggy conditions, the Rocketeers showed good passing as junior Jack Johnson connected fifteen times with his receivers. Although N.A. had a strong thrust, the team was defeated 7-0.

Now, North had a goal to reach as the Rocketeer's head coach, Ray Beaupre, confidently predicted a six-game winning streak. N.A., with the return of injured tri-captain, Joe Fitzgibbons, had a full, strong line for the first time during the season. It was much in evidence in a 20-13 victory against Sharon. Gary Beyer and Don Johnson led the way on offense with two TD's each and the excellent defense held strongly with the help of seniors Mark Barrett and Steve Savard. Stoughton was no competition for North in the fifth Hockomock outing as the Rocketeers rolled over them by a score of 42-8. On the very next Saturday, however, the highlight of every recent grid season, the North-Mansfield game, was scheduled. This year the Hornets had been undefeated coming into the contest, but the Red Rocketeers quickly changed that with a 28-15 win. Jack Johnson ran for three TD's which sent North on its way toward victory. Also, the defensive combination of seniors Marc Labonte and Chuck Shumila along with junior Tim McCretton held the North line in place and was one of the keys to the outcome.

After this hard-fought win against Mansfield, the Rocketeers breezed by Foxboro 35-12. Senior Rob Scarlatelli showed strong defensive power, and both John Simms and Mike Redding added two TD's to the final score. N.A. continued its winning ways into the final league game against Oliver Ames with a 27-0 shutout. Beyer contributed two TD's and seniors Bill Teixeira and Bill Conroy worked together to lead the defense's great performance.

Then, at long last, the Attleboro High game arrived on Thanksgiving Day with North on a five-game winning streak. McCretton and Barrett again showed exceptional defense when Attleboro had the ball inside the N.A. five-yard line, and Scarlatelli made a saving tackle which prevented the Bombardiers from making an appearance on the scoreboard. In the end, Coach Beaupre's prediction of completing the last six games without a loss came true with a score of 7-0. North's only touchdown was made by Steve Savard, after one of three long receptions of the day by Don Johnson. The other of the Johnson brothers, junior Jack, was named Most Valuable Player after going seven for 17 passing, and rushing for 55 yards.

After concluding another successful season of eight wins and only two losses, North Attleboro team awards went to Mark Barrett (Defense), Rob Scarlatelli (Unsung Hero) and Ray Emerson (Coaches' Award). Mike Redding was elected to the All-Hockomock team for the third year and the Boston *Globe* All-Scholastic Team for the second year. Don Johnson also received All League honors again this year, and Steve Savard's selection placed a third member of the squad on the All-Hockomock team.

A hearty buffet started the evening well, and the songs of the *Galaxy* band provided the background for the evening's dancing. Always a popular and well-attended event, the Social remains the highlight of Freshman and Sophomore class activities.

## GAA Sports Good Year

The Girls' Athletic Association had a successful year with officers Dianne Martha (President), Patty McKenzie (Vice-President), Kim Erickson (Treasurer), and Maureen Stack (Secretary). Money was raised through a sports-athon and various cake sales and raffles. The proceeds were put toward the purchase of athletic trophies for girl's sports which were given out at the end of the year. Also, the girls planned a Halloween party, a pizza party, and a trip to Newport to make it an enjoyable year for all involved.

## *Golf Team Wins the Close Ones, Posts Winning Season*

The North Attleboro High Golf Team shot its way to an excellent record this spring, finishing with eight wins and four losses. This year the league's new scoring system made it easier to see just how many close matches the Rocketeers managed to pull out. During the season, Coach Art Nunes' squad only lost one tight contest, to Canton, 283-276. Senior Captain Rob Scarlatelli and the group's other veteran members consistently turned in strong rounds.

*Hail to the Chiefs!*

Each spring the classes elect officers for the following year. Freshman class elections are held in the fall after the freshmen have had a chance to become acquainted with each other. The job of officers is to plan the various dances, bake sales, and car washes which are part of each class's money-raising activities, and to organize the float committees (for the homecoming parade) and the prom committees. The number and variety of activities increase as each class moves from the freshman to the senior year; but, at any time, the job of class officer is both a demanding and rewarding one.

## S.C. and S.A.C. Have Active Year

The Student Council is composed of eighteen members: six officers and twelve class representatives, together with faculty advisor Miss Doris Daley. This year they got off to an early start. They sponsored a dance-a-thon in August and organized freshman orientation in September. During football season the council sold North Attleboro pennants to the fans and also sponsored the Annual Homecoming events and the victory dance that followed.

During November the Student Council sent five delegates to the Southeastern Massachusetts Student Council Convention. The "Food for Friends" food drive and the Father/Daughter Dance were two other successful events that they ran.

During the spring the Student Council completed its year by organizing a very successful Blood Drive and holding elections for next year's council and for class officers.

THIRD ROW: Lauren Tullie, Jack Johnson, Paulette Bourgeois, Don Johnson, John Birs, Steve Whalen, Meeghan Hoye, Jill Paquin, and Bill Conroy.

This year's Student Advisory Committee was made up of three juniors and two seniors. The Student Advisory Committee brings problems and suggested proposals to the School Committee. During the 1978-79 season they worked on a final exam waiver, but this proposal was turned down by the School Committee. They also spent long hours on improving the Physical Education classes and trying to reinstate the Driver's Education program. A very hard-working group of students made this a successful year of debate and change.

## Gymnastics Team Vaults to Winning Season

The North High Gymnastics team compiled another good record this winter as the girls finished their schedule with seven wins and six losses. After the squad won its first four meets it then lost its next four in a row. The team steadied itself in the latter part of the season under the influence of seniors Kathy Cavedon and Leslie Curran and Coach Marcia Connors. Once the group's competition ended, freshman Carolyn Murphy received the GAA Most Improved Award while senior Leslie Curran was given the GAA Most Contributing honor. Sophomore Kathy Firth was named to the Hockomock All-Star Team after placing first on the balance beam, second on the uneven parallel bars and floor exercises, and second in overall competition. Kathy also received Boston *Globe* All-Scholastic Honors and was a state qualifier on the beam. She will be returning with the other talented underclassmen to try to improve on this year's mark.

## Fine Individual Performances Highlight Hockey Season

The N.A. Variety Ice Hockey team skated their way to a record of five wins, twelve losses, and three ties this winter under the direction of coach Paul Davieau. After North finished up their schedule, Senior Captain Greg Tinkham was selected for the All-Hockomock and All-Sun-Chronicle teams in recognition of his fine season (including a tremendous six-goal game against Franklin). Also senior Mike Balut and Junior Tom Culhane received All-Sun-Chronicle honors.

## *Honor Society Membership Largest Ever*

Boasting the largest number of members in its history, the Honor Society was one of the most visible and active organizations in the school this year. Work began in the summer with members selling advertising space in the football-basketball programs. In the fall, this continued as Miss Bedard and Honor Society members became a regular feature of each home game. October saw the Annual College Career Day, which this year brought together representatives from seventy schools and organizations in the Media Center. Honor Society members also served the school by tutoring and acting as special needs aides.

In March, the group took a vacation from their school activities by going to Jackson, N.H. for a ski week-end. The highlight of the year, however, was the announcement of new members followed by the induction banquet which was prepared and served by the members. In the future, Advisor Elaine Bedard hopes the group will become more community- and service-oriented.

## Indoor Track Team Wins Hockomock Title

TOP LEFT: Bob Healey and John Sinms give it all they've got.

ABOVE LEFT: Jeff Fong displays his greatest strength in lifting a twelve pound shot-put.

During the past few years, wins have been few and far between for North High's indoor track team. This winter, however, everything was turned around as Coach Bob Aussant's squad surprised the league with a strong record of five wins and two losses and the dual meet championship. With the steadying influence of senior Captains Chris Loew and Dan McCrory, the group's many underclassmen provided much needed depth in many of the different events; and this depth gave N.A. the winning edge in the closer meets such as the first-of-the-winter against Foxboro and the later meet against rival Mansfield. After the season, the great number of consistent performers — Loew, McCrory, Sean Hanley, Bruce Gebski, John Simms, the Espinosas, the Schnacks — produced a first place finish in the Hockomock League meet. In the future, North Attleboro should continue this new-found excellence in indoor track with the help of this year's talented sophomore and junior members.

# Latin Lives!

Far from being a "dead" language, Latin is alive and well at North High. The Junior Classical League, under the sponsorship of Mrs. Phyllis Thibault, sponsored a full range of activities this year. The Annual Slave Auction was the main fund-raising event, but money was also earned at a bake sale. A Saturnalia party in full toga was the highlight of the Christmas season. In the fall the club prepared a catapult for competition at the State catapult contest, and in the spring the same JCL members attended the State Convention and participated in the Olympic events. Club members also enjoyed a field trip to the Higgins Armory and attended the U. Mass. — Boston College Classics Day. Having had a fun-filled and successful year, the members hope to recruit even more members next year to add to the fun.

## Juniors Have Their Night

On May 11, 1979 the Junior Prom was held at the Chateau-de-Ville in Warwick, Rhode Island. The Junior boys selected Debbie Hannan as their Queen, and her Court included Barbara Quackenbush, Jeanne Lafontaine, Suzanne Vaillancourt, and Sherri Landry. Karen Jourdanais and Gretchen Loew, who were also elected to the Court, were unable to attend. The *Blue Clipper Band* played the Prom's theme song, "We've Got Tonight" magnificently. The Class of 1980 truly enjoyed the night, and hoped it would never end.

RIGHT: Debbie Hannan and Toin Messier — "I hope they don't want the flowers back!"

BELOW LEFT: Gregg Schmidt and Lauren Delfino — "Ouch! You're squeezing me too tight!"

BELOW RIGHT: The Queen and her Court: Rob Scarletelli, Barbara Quackenbush, Jack Johnson, Jeanne Lafontaine, Tom Messier, Queen Debbie Hannan, Suzanne Vaillancourt, Chuck Averill, Sherri Landry, and Todd Bliss.

*BELOW LEFT: Gale France and Jeanne Lafontaine — “Do you think we could do an Ultra-Brite commercial?”*

*BELOW RIGHT: Alan Bellavance and Nancy Labonte — “We’re just a pair of wall-flowers.”*

Half-time entertainment at each football game is the job of the majorettes, color guard and drill team working with the band. The elaborate and intricate maneuvers which comprise the show take much practice and teamwork, but the result is worth the effort. The traditional Saturday morning breakfast before each game was continued again this year as was the majorette's fund raising activity — providing refreshments at the Evening School. The girls were sorry to see the drill team advisor Maureen Cochrane leave, but next year, under new leadership, they will continue their fine job.

LEFT: Kim Fish — "Come on Baton! It's you and me all the way."

BÉLOW: Kristin Flanagan and Beth Pierce — "Look! All their band members are on the wrong foot!"

BOTTOM: MAJORETTES: Staci Bouchard, Sandy Desroche, Deb Blackbird, Laura Lepere, Leeann Clinton (Head), Cindy Cheney, Kim Fish, Kelly Beaupre and Deb Mello.

## Student Politicians Wheel and Deal

The Hockomock Model Senate began its two day session on April 26, 1979 in the North High Media Center. Advisor Vincent Baldasaro helped pull everything together and led the N.A. "Senators" into the first day of committee debate. Traditionally one of the strongest delegations, North Attleboro again pushed many of its bills through committee and onto the agenda for the second day's session. Although none of the North bills were passed this year, each one of the delegates had a good time and many veteran members felt the event was the best ever. Among N.A.'s many ideas for legislation this year were a National Health Insurance plan, a program to alleviate the national debt, and a proposed national drinking age of eighteen.

On November 30, 1978 a group of North High students packed their bags and headed off to Boston with their fearless leaders, Vincent Baldasaro and Rolf Tallberg. N.A., representing Iraq and Denmark, settled into the Sheraton Hotel after a long wait and began what became a very successful weekend at the Harvard Model U.N. Conference. Along with spending long hours in committee meetings and caucusing, all of the delegates found time to enjoy themselves. At the end of the Conference, North's Dave Serpa was awarded the Best Delegate Award for the Apartheid Committee — a first for N.A. — and Mr. Baldasaro commented that this was "definitely the most successful delegation which he had ever sponsored."

## Make Mine Music!

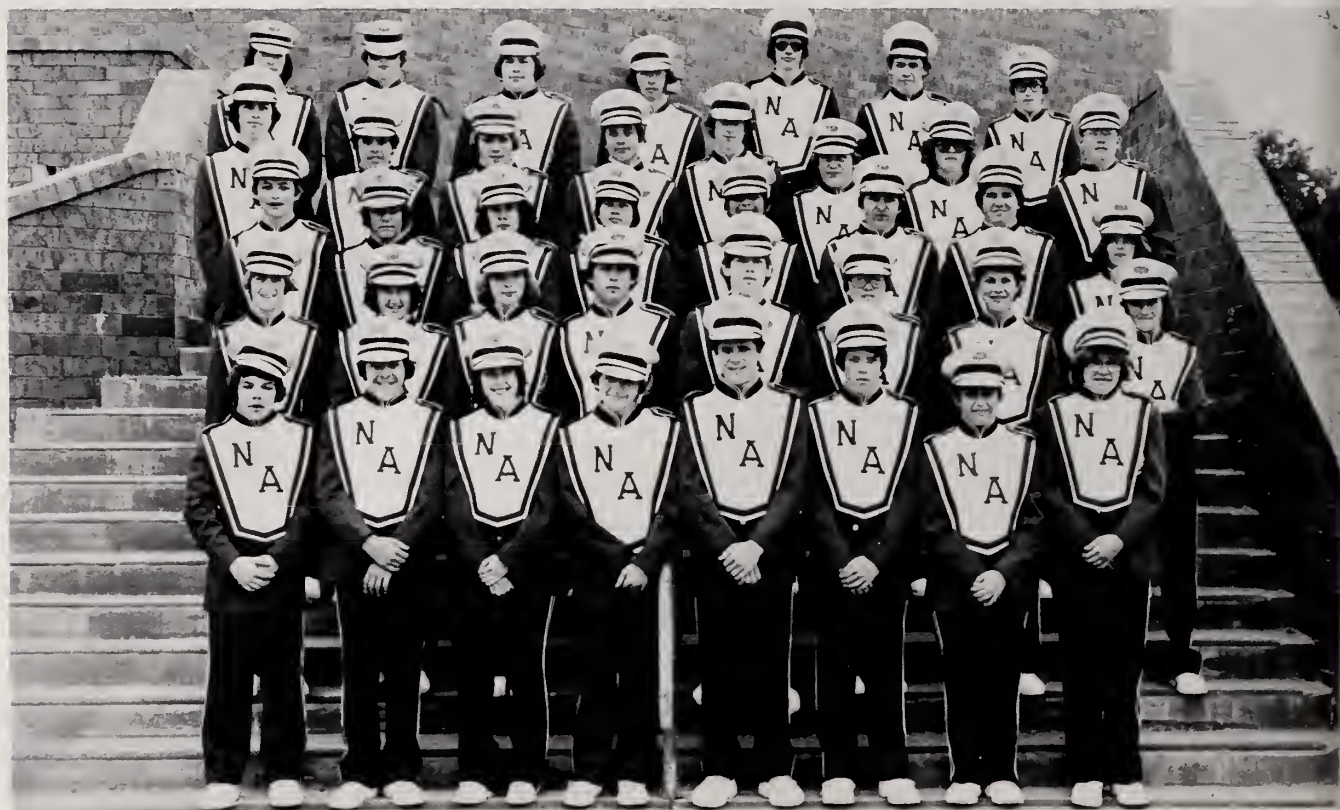

The Marching Band worked hard in preparation for the fall football season. By the time the season began they had succeeded in putting together a program that entertained many during game halftimes. The band also marched in the Memorial Day parade and played at the dedication of the Sheehy ski lift that was opened at World War II Memorial Park.

The Concert Band participated in an exchange concert between North Attleboro and Naugatuck, Conn. High. The Stage Band performed with great success in the Spring Concert and the Variety Show.

Senior Band member Dave Christianson won national honors when he was selected as a member of the 1979 All-Eastern Band, an outstanding achievement.

# Music

The A Cappella Choir, under the watchful eye of Mr. Ronald Christianson, sang in the annual Spring Concert and did a Christmas performance at Madonna Manor. They hope to continue with their performances in the upcoming year.

The Brass Ensemble, which is a new venture for Mr. Christianson, made a T.V. appearance on Channel 6 this spring. It was a new and challenging experience for both the director and the members of the Ensemble. The members of the Brass Ensemble include: David Cobb (trombone), Eric Frobel (trombone), Doug Greene (trumpet), Scott James (trumpet), and Dan Richard (tuba). They also performed during the Spring Concert.

## Growing New Clubs Is an Art

An art club was started this year by the art teachers, and membership was open to all interested students. In addition to visiting the Boston *Globe* Art Contest display, the group traveled to New York to tour art museums. The plant club building on work started last year, once again made full use of the greenhouse to grow flowers throughout the winter and to start seedlings in the spring. Both groups hope to expand their membership and activities next year.

## *Jets Shot Down Again in Annual Powderpuff Game*

On November 18, 1978 the Junior Jets took on the Senior Sharks during the afternoon at North High Field (instead of under the lights at Community Field). The daylight game still had the usual excitement, however, as the girls played a close game cheered on by the great looking Junior and Senior boys. In the end the senior girls came out on top, but everyone was having too much fun to care about the final score. Luckily, this year's contest was relatively injury-free compared to the game last fall, and the event will hopefully remain a N.A. tradition.

# Free Press Sets Record

North Attleboro's student newspaper. *The Free Press* published an all-time high of five issues this year and saw a greater degree of student response to the featured articles than ever before. Largely the product of the Journalism class the staff under the leadership of editor Mitch MacDonald, introduced riddles, puzzles, and cartoons to the usual number of features on current high school activities and sports events. Advisor Rolf Tallberg hopes to recruit staff members from outside the journalism class next year and to increase further the number of issues.

## Yes, We Have No Elves

The production of the *Northern Light* is, at times, one of the most overlooked activities at North High. Students usually are aware of its existence only on the day they have to get together enough money to purchase a copy or when they receive the completed version. During the period of time between these events a cover and approximately 240 pages must be carefully designed around some central thematic idea. There are no elves involved who magically put it all together on the last day with a flash of lightning and a clap of thunder in the background. What is involved is a great deal of time and effort by advisors Jim Frutchey and Terry Ashe, Senior Section Advisor Martha Frutchey and the entire yearbook staff. Just as with everyone else, however, the whole pleasure of the yearbook to those producing it is also the completed copy, and staff members are certain that this year's version will improve upon the *Northern Light's* past level of excellence.

## A Real Prize

The staff of "Galadriel", North's literary magazine, produced a lengthy, and, hopefully, award-winning issue this year. The magazine was published and issued in late May and was met with approval by the readers. Previous issues have placed first in the Boston College competition every year. The combination of

poetry, short stories and art work which comprise the magazine reflect the interests and talents of the entire student body. This year's issue of "Galadriel" was dedicated to the group's advisor, Mr. Rus Benson, in recognition of his commitment to the magazine and his students.

## Soccer: A New "Kick" at North

BELOW: FIRST ROW: Tim Betts, Dave Thorp, Ed Carroll, John Raposo, Rob Schnack, Dave Murphy, and Mike Schnack. SECOND ROW: Coach James Barry, Drew Fernberg, Rich Letourneau, Gary Tinkham, Mike Trowbridge, Scott Achin, Tony Fong, Glenn Cameron, Mike Mullen, Alan Bellavance, Bob Hervieux, Ed Laderoute, and Dave Pratt.  
BOTTOM: Gary Tinkham — "Did I kick it far enough?"

Soccer, in its second year at North Attleboro High School, advanced from exhibition games to a full Junior Varsity schedule in the Hockomock league this fall. Under the leadership of Coach Jim Barry, the underclassmen-dominated Rocketeer squad again gained very valuable experience and confidence in gaining a record of three wins and three losses. Despite the possibility of limitations in the athletic budget, soccer seems to be making a place for itself at North High and it will hopefully gain more recognition from both N.A.'s fans and athletes.

TOP LEFT: Coach Barry — "I'm so glad the team elected me official water guard."

TOP RIGHT: Bob Hervieux — "I never knew how difficult it was to walk down a field with a soccer ball glued to your sneaker."

LEFT: Ed Carroll — "I'll trick them and squeeze right through."

ABOVE: Mike Schnack — "Now that I'm in this position how do I get out of it?"

## Varsity Softball Team Swats Way to a Strong Season

Under first-year head coach Paul Sullivan, the Varsity Softball team had a good season this spring with a winning record of eleven victories and eight defeats (eleven and six in league play). The squad, led by captains Karen Whitefield and Rose Provost, began the year well as they won five of the first eight games before a short slump in the middle of the schedule. The girls finished strongly, however, by winning six of their last eight games. After the season, the GAA Most Contributing Award went to Karen Whitefield, while All-League and All-Sun *Chronicle* honors went to Rose Provost. Katie Gledhill, a member of the 4-11 Junior Varsity team, was given the GAA Most Improved trophy at the annual banquet.

## *Trackmen Nosed Out for League Championship*

The Boy's Track team, captained by Chris Loew and Scott Potter, compiled an excellent record this year of seven wins, one loss, and one tie under the direction of coaches Charles Ayotte and Robert Aussant. Early in the spring the Rocketeers were narrowly defeated by Mansfield in the Kelly Relays. Although the team's great depth provided the winning edge during most of the season, they fell short in the Hockomock Championship meet as they lost by four points to Mansfield. In league competition, Don Johnson took a first place in the long jump, Dennis Schnack and Jerry Espinosa each placed second in their events, and Mike Redding and Jim Savard each captured a pair of places. Also, Vin Brennan (mile) and Mike Smith (120 high hurdles) both placed second in their events to lead N.A. to an overall third-place finish in the South Shore Class A Meet. The Rocketeers should continue their winning ways for a few years to come as evidenced by a victory in the Freshman League Meet and a very impressive showing in the Seekonk Frosh-Soph Meet.

## Girls' Team Has Excellent Season

Under the leadership of Coaches Steve Robertson and Dwight Estey, the honors never stopped coming for the Girls' Track team this spring. The group, captained by Stephanie Rioux, Judy Bliss, and Kim Erickson, posted a record of eight wins and no losses in going undefeated for the first time in their history. Team honors included second place in the Val Muscato Relays and the Varsity League Meet, and an eighth place finish in both the South Shore Championship and the State Class C Meets. Steph Rioux was given the GAA Most Contributing Award and became the first girl to reach 100 points in a season. Her record was closely followed by Jennifer Copley who also reached the same mark. Steph also placed tenth in the State shot-put competition, while Karen Hjerpe placed ninth in the 880 after having tied a league record in that event during the Hockomock championship. Although ten team marks were broken, N.A. appears well set for the future as they also captured the Freshman and Junior Varsity League Championships.

There was something to appeal to everyone's tastes in this year's Student Activities program. Several assemblies, such as "Shakespeare's World" and "Photographically Speaking", were presented by traveling professional companies. The ever popular Navy Band concert was held in December. The Skateboard and Karate demonstrations provided how-to and safety tips as well as being an exhibition of athletic skill. In addition several recent popular movies were shown for students during their unassigned time. It was an interesting year.

## *A Chance to Dance*

This year North Attleboro was one of the few schools in the nation to participate in the National Endowment for the Humanities Artist-in-Residence Program. In the early spring, the Arthur Hall Dance Troupe spent several weeks in the N.A. system teaching classes and preparing a recital. In May, the Acme Dance Company spent two weeks at the high school performing and instructing. The chance to be exposed to and interact with professional dancers of national repute was a never-to-be-forgotten experience for North students.

ABOVE LEFT: Coach Bedard, Pam Alix, Pam Riley, and Julie Paquin — "Are we playing so badly that you have to close your eyes?"

RIGHT: Nikki Cuoco — "How's this for a pose; do you think it will make Vogue?"

The 1979 Boys' Tennis Team improved on its recent tradition of strong seasons with a very impressive record of 16 wins and no losses in league play. In capturing the Hockomock Championship, North blanked their opponents seven times and only on three occasions did a team win two matches against the Rocketeers. The squad defeated Marshfield and Foxboro in the State Tournament before losing to the eventual State Champion St. John's Prep. After the season, junior Greg Dean received All-Hockomock honors as did both doubles units of Steve Gavitt-Glenn Feder and Brian Copley-Tom Battersby. They are looking forward to continuing their winning ways after losing only three seniors to graduation.

The Girls' Team season was a disappointing one compared with the boy's team with an overall record of 4-16. There were a number of outstanding performances by individual players, however and the team will be sorry to lose seniors Lisa Riley, Wendy Simmons and Pam Riley. With a core of experienced juniors to head the team next year they hope to match the boys' team's record.

## Beauty Contest Stops the Show ... and the Clock!

The Junior Variety show, held on May 19, 1979, proved once again to be a big success. The masters of ceremonies were Sherri DiVittorio and John Foley. The show contained a variety of comedy, song, and dance. Included was the traditional skit performed by the junior boys which this year was called the "\$19.80 Beauty Show". The variety show was hard work, but it played to a full house for both showings and was a very profitable venture for the junior class.

# Seniors

Now that we have had a chance to examine each facet of North High, our original definition seems to be correct. The high school is a place of people. In glancing over the faces, it is easy to see that certain ones have become familiar in and around our environment. It is those who have been here the longest and truly have become a part of NAHS who have defined North High the most by their presence.

These familiar faces — the members of the class of 1979 — deserve some special attention in our attempt at defining the surroundings. The seniors are the leaders of the student body, the driving force behind the high school's human element, and as such they are the most important "people". When they have left behind North Attleboro High School, it will never be quite the same place, for the class of 1979 has defined it in their own unique way.

## Senior Prom

On Friday, March 9, 1979 the class of 1979 held their Senior Prom at the Condessa Restaurant in Somerset, Massachusetts. The theme for this special night was "Always and Forever". The evening started with a wonderful dinner and then the announcement of the Queen and her Court. The honor of Queen went to Maureen Stack, and her court consisted of Andrea Berg, Cathy Cavedon, Katie Gaulin, Cheryl Latimer, Lisa Metrano, Loriann Olaski, Stephanie Rioux and Sally Youd. For the remainder of the evening the couples danced to the sounds of UVL, and enjoyed this, the first of the many senior activities.

## Awards Assembly

Again this year, the National Honor Society arranged the Awards Assembly. The entire student body and faculty gathered in the gym for the presentation of awards in various academic subjects and for service to the school. Don Johnson, Honor Society President, conducted the ceremonies and introduced the new Honor Society members. This year the *Northern Light* was dedicated to Ms. Elaine Bedard, class advisor to the senior class for four years.

# Class Day

On Friday, June 1, 1979 the Informal Class Day Assembly was held. As always, the student body and faculty filed into the gym to listen to the annual "bagging" of the seniors. Later that afternoon, parents, relatives, and friends gathered in the gym for Formal Class Day exercises. Essays were read and Amy McLaughlin was given the Merle Crockett Award for the Outstanding Student of the Year. Refreshments were served in the cafeteria following the ceremonies.

## Senior Reception

On the evening of June 6, 1979, the Alumni Association of North Attleboro High School held a reception for the Class of 1979 at the King Philip Ballroom. Parents, faculty members and friends gathered with the class to enjoy a fine evening of dancing. It was a night to be remembered by all for it was the last time the class of 1979 was gathered together as a unit. It was a fun-filled conclusion to the many graduation activities.

 LEFT: Brian Ives, Bill Robinson, Dave Serpa — "Seriously, I don't know them."  
 BELOW: Scott Mochrie — "Three hundred more yards and I'm finally out of here."*

## *Commencement*

North Attleboro High School held commencement ceremonies for the class of 1979 on Monday, June 4, in the gym of the high school. It was the first time in over ten years that the ceremonies had to be held indoors because of inclement weather. Over a thousand family members and friends of the graduates crammed into the gym to hear addresses by Valedictorian JoAnn Uhlig, Salutatorian Joe Broughton, and guest speaker Judge Thomas Quinn of the Bristol County Juvenile Court. The highlight of the evening was the presentation of diplomas to the 250 graduates by Alfred Censorio, Chairman of the School Committee, and the evening ended with the singing of the Class Ode.

# Advertising

Advertising is one of the most necessary elements in a yearbook as it helps to reduce the price of the book to an affordable level. The yearbook staff is very grateful to all of the businesses and individuals who have supported the *Northern Light* this year. Thanks very much to the efforts of DECA, a record amount of advertising space was sold at a time when it could most be used. In supporting the yearbook, however, local business is also lending a hand to the high school as a whole and their efforts should be acknowledged by all. Patronize our advertisers, and when you do, say you saw it in the *Northern Light*.

## *In Retrospect,*

Now, as another year comes to a close, the same question returns to mind. How can we define North High? In retrospect, however, the question has changed. Looking back, how have we defined North High in 1979? We have tried to do so in many ways — as a place of the arts, of academics, of activities, of athletics — yet each one of these was in itself incomplete. The truly definitive element in our environment is much more basic; North High is a place of people.

*... Redefining Ourselves.*

Once we have defined our environment, we encounter a new obstacle. North High is a place of people. But just who are these people: how can we define ourselves? The same terms can be applied as when defining our surroundings; each one is involved in some way with the arts, academics, activities, and athletics. Again, however, "people" is the definitive element.

Although each student is individual — with his own personality, his own problems, his own values and goals — each is also an integral part of the whole . . . North High is a community in itself, and each member needs the strength and support of the others. If we wish to redefine our purpose for the future, then we must emphasize a caring attitude and place our main value on those around us.

The editors, staff, and advisors of the 1979 *Northern Light* extend a special thanks to Arnie Lohmann of Taylor Publishing Company and Joe Geoffroy of Dodge-Murphy Studio. Their help was invaluable in the preparation of this book.
